

## M8 Connector 5 Pin B Code Waterproof IP67 Industrial Circular Connectors for Sensors

Our Product Introduction

for more products please visit us on [connector-industrial.com](http://connector-industrial.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: KRONZ
- Certification: CE
- Model Number: H0805BFA-0
- Minimum Order Quantity: 50 pieces
- Price: Negotiable
- Packaging Details: Polybag packing
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 100000 pieces per month

**KRONZ**

### Product Specification

- Standard: IEC 61076-2-104
- Contact Nut Material: Brass, Nickle-plated
- Contact Surface Material: Brass, Gold-plated
- Contact Carrier Material: PA, Black
- Pollution Degree: 3
- Ambient Temperature: -25~+85
- Endurance(shell): >100 Cycles
- Degree Of ProtectionProduct Description: IP67
- Highlight: **waterproof m8 connector, waterproof m8 male connector, ip67 m8 connector**

**KRONZ**

## Product Description

### M8 Connector 5 Pin B Code Waterproof IP67 Industrial Circular Connectors for Sensors

#### Product Description

##### M8 Female Connector - 5 Pins (B Code) – Reliable Power and Data Integration

The M8 5-pin female connector with B-code is an excellent choice for applications that require the integration of both power and data signals. This connector can be used in systems where multiple signals and power need to be routed to sensors or actuators in a compact, robust design. It's especially useful in environments that demand high levels of reliability, such as medical equipment, industrial robots, or process automation. The B-code configuration offers a high degree of flexibility, allowing it to serve a variety of industrial and commercial applications where both power and communication need to be transmitted.

#### Applications

Industrial robotics  
Medical sensor networks  
Process automation and control  
Equipment requiring power and data connectivity

#### Technical Data

Standard	IEC 61076-2-104
Contact nut material	Brass, nickle-plated
Contact surface material	Brass, gold-plated
Contact carrier material	PA, black
Housing material	TPU, black
Seal material	FPM/FKM
Insulation resistance	≥100MΩ
Contact resistance	≤5mΩ
Pollution degree	3
Ambient temperature	-25~+85
Mating cycles	>100
Degree of protection	IP67

Pin assignment	Connection method	Coding	Rated current	Voltage	Cable outlet	External cable diameter	Model No.
	Screw connection	A	3A	30V	Angled	3.5-5mm	H0805BFA-0

## Support and Services

The KRONZ Connector product technical support and services include:

- Assistance with product installation and setup
- Troubleshooting and problem resolution
- Product updates and firmware upgrades
- Warranty and repair services
- Technical documentation and resources such as user manuals and datasheets
- Training and education on product features and capabilities

## FAQ

Q: Where is this product manufactured?

A: This product is manufactured in Guangdong, China.

Q: Does this product have any certifications?

A: Yes, this product is CE certified.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 80.

Q: Is the price of this product negotiable?

A: Yes, we will offer different price according the quantity.

Q: How is this product packaged?

A: This product is packaged in polybag packing, export carton.

Q: What is the delivery time for this product?

A: The delivery time for this product is 5-8 working days for MOQ 80pcs, if more quantity, please contact with seller.

Q: What payment terms are accepted for this product?

A: The payment terms accepted for this product are T/T, Western Union, and MoneyGram.

Q: What is the supply ability of this product?

A: The supply ability of this product is 100000 pieces per month
