

M8 Male Connector 3 Pin A Code Waterproof IP67 60V Cable Connector For Sensors

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: KRONZ
- Certification: CE
- Model Number: M0803M-2/P00K
- Minimum Order Quantity: 50
- Price: Negotiable
- Packaging Details: Polybag packing
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 100000 pieces per month

Product Specification

- Ambient Temperature: -25~+85
- Insulation Resistance: $\geq 100M\Omega$
- Shielded: No
- Voltage: 60V
- Contact Resistance: $\leq 5m\Omega$
- Pollution Degree: 3
- Cable Material: PVC
- Degree Of Protection: IP67
- Highlight: 3 Pin M8 Male Connector,
Sensors M8 Male Connector,
IP67 M8 Male Connector

Product Description

M8 Male Connector 3 Pin A Code Waterproof IP67 60V Cable Connector for Sensors

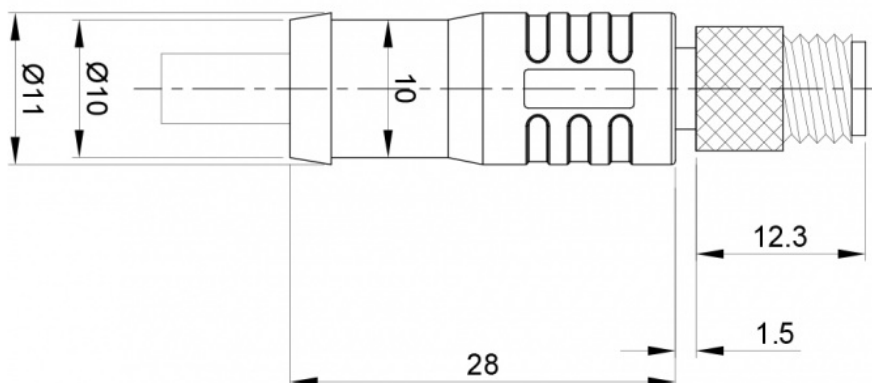

Product Description

This male connector is made with the highest quality materials, ensuring it will withstand years of use. The contact carrier material is made of PA and is black in color, providing excellent protection against wear and tear. The seal material is made of FPM/FKM, which provides superior resistance to chemicals, oils, and temperatures, ensuring that this connector will perform at its best in any environment.

When it comes to insulation resistance, our M8 Connector exceeds expectations, with a minimum rating of $\geq 100\text{M}\Omega$. This ensures that your electrical connections remain safe and reliable, even in the most challenging environments.

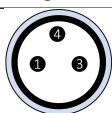

Our M8 Connector is designed to be used with PVC cables, making it an excellent choice for a wide range of applications. Whether you are working with machinery, automation systems, or other industrial equipment, this connector will provide the reliability and durability you need.

Overall, our M8 Connector is an excellent choice for any engineer or technician looking for a high-quality threaded connector that meets the most demanding requirements of industrial automation and control applications. Its male design makes it easy to connect and disconnect, while its superior materials and insulation resistance ensure that it will perform at its best for years to come.

Technical Data

Standard	IEC 61076-2-104
Contact nut material	Brass, nickel-plated
Contact surface material	Brass, gold-plated
Contact carrier material	PA, black
Housing material	TPU, black
Seal material	FPM/FKM
Insulation resistance	$\geq 100\text{M}\Omega$
Contact resistance	$\leq 5\text{m}\Omega$
Pollution degree	3
Ambient temperature	-25~+85
Mating cycles	>100
Degree of protection	IP67

Pin assignment	Wire color	Coding	Rated current	Voltage	Wire gauge	Cable outlet	Length	Model No.
	1=WH 3=BU 4=BK	A	3A	60V	3×0.25 (3×24AWG) PVC, black	Straight	2M	M0803M-2/P00K

Applications

Originating from Guangdong, China, this 8-pin connector is certified by CE and meets the IEC 61076-2-104 standard. With a rated current of 3A and contact resistance of $\leq 5\text{m}\Omega$, this male connector can handle a voltage of up to 60V.

Whether you need to connect sensors, actuators, or other devices, the KRONZ M8 Connector is the perfect solution. Its small size and rugged design make it ideal for use in harsh industrial environments, including factory automation, robotics, and process control.

With a minimum order quantity of 50, the KRONZ M8 Connector is available at a negotiable price, packaged in polybag for your convenience. Delivery time is only 5-8 working days, and payment can be made via T/T, Western Union, or MoneyGram. Rest assured that with a supply ability of 100000 pieces per month, KRONZ is ready to meet your demand for high-quality industrial connectors. Don't settle for anything less than the best - choose the KRONZ M8 Connector for your threaded connector needs.

Support and Services

The M8 Connector product technical support and services include:

- Assistance with product installation and configuration
- Troubleshooting and resolution of technical issues
- Product training and education for customers
- Warranty and repair services for faulty products
