

M12 Aviation Socket Flange Gold-plated Connector Joint 5pin Welded Waterproof IP67

Our Product Introduction

for more products please visit us on connector-industrial.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: KRONZ
- Certification: CE
- Model Number: M1205F-0.1R/M16
- Minimum Order Quantity: 50
- Price: Negotiable
- Packaging Details: Polybag packing
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 100000 pieces per month

KRONZ

Product Specification

- Description: M12 5-pin Connector
- Material: Nickle-plated
- Seal: FPM/FKM
- Gender: Female
- Standard: IEC 61076-2-101
- Voltage: 60V
- Code: A-coding
- Cable: PVC, 10CM
- Pin: 5
- Highlight: IP67 M12 Aviation Socket Flange,
5pin M12 Aviation Socket Flange,
Gold-plated M12 Aviation Socket Flange

Product Description

M12 Aviation Socket Flange Gold-plated Connector Joint 5pin Welded Waterproof IP67

Product Description

Our M1205F-0.1R/M16 metal flange complies with the IP67 standard. The high-elastic rubber ring and clamping nuts can achieve perfect waterproof and dustproof effects, protecting network components from moisture, dust, rain, snow and insects, and ensuring high-quality connections. The M12 aviation panel rear-mounted flange socket sensor connector adopts professional high-quality alloy nickel-plated materials, which makes it have insulation and flame retardant properties. It features a thread locking mechanism, an anti-vibration locking design and a 12-millimeter threaded joint. The M12 metal chassis threaded panel connector socket is widely used in signal electronic connectors for aviation, computers, various instruments, industrial cameras, electric bicycles, factory automation, etc. It can be easily connected to proximity switches, photoelectric barriers, flow monitoring devices, sensor devices, actuator devices and field bus components.

Company Profile

KRONZ

ABOUT US

KRONZ is a manufacturing enterprise located in Zengcheng District, Guangzhou City. We focus on providing customers with high-efficiency industrial automation solutions and related industrial products. After many years of innovation and development, KRONZ has complete product processing equipment and a professional team who are proficient in various automation technologies.

In order to improve the quality of products and production efficiency, we continue to introduce advanced production equipment and technology, strengthen investment in research and development. At present, our main products include Industrial Connectors, Inductive Sensors, Capacitive Sensors, Photoelectric Sensors, Ultrasonic Sensors, Industrial power supplies, Industrial fieldbus, RFID recognition systems, Industrial Ethernet Switches

We not only produce the orders of standard products, but also have ability to make customize production based on customer design drawings or samples.

Adhering to the principle of mutual benefit, we provide our customers with competitive prices , and perfect after-sales service. KRONZ's products have been sold in multiple countries, have won the trust and praise of customers. KRONZ expect to collaborate with you.

Package

Logistics and Payment

1. Samples and small orders can be shipped with fast shipment method, by air and by express. Bulk order will ship by sea, by air, by train, by truck etc.
2. We also can send the goods to your agent warehouse.
3. If you need any more shipping method, please feel free to contact with us.

Note:

Due to the wide range of our products, we cannot list all product pictures and corresponding product parameters. If you have other needs, please communicate with me. We can provide supplementary information and technical support. We Are Happy to Serve You.
