

M12 Y-distributor with Cable Male M8x1 - Female M8x2

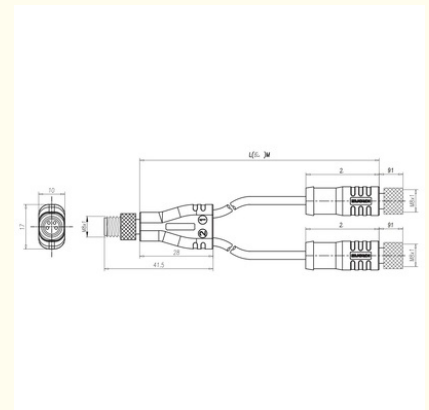

Basic Information

KRONZ

Product Specification

- Highlight: M12 Y-distributor with Cable, M12 Y-distributor Male M8x1

Product Description

Standard	IEC 61076-2-101	Insulation resistance	≥100MΩ
Contact nut material	Alloy, copper-zinc, nickel plating	Contact resistance	≤5mΩ
Contact material	Alloy, copper-zinc, gold plating	Pollution degree	3
Contact carrier material	Plastic, PA, black	Ambient temperature	-25~+85°C
Material of grip body	Plastic, TPU, black	Mating cycles	>100
Seal material	FPM/FKM	Degree of protection	IP67

Technical data:

2-way Splitter, Y-type Spplier

Part Number: YKBM4-2BF3-0.2-0.2/P00KGY/HGY/L04

Cable: PVC, Gray or PUR, Gray

RoHS compliant

IP67

Cable Lentgh: 0.2M / 2M / Cutomized Length

Product Series Information

Other chip count products in this series

Each model is different:

Choose the product that suits you based on the circuit, number of pins, and voltage/current rating.

Technical data

Standard	IEC 61076-2-104	Insulation resistance	≥ 100MΩ
Contact nut material	Alloy, copper-zinc, nickel plating	Contact resistance	≤ 5mΩ
Contact material	Alloy, copper-zinc, gold plating	Pollution degree	3
Contact carrier material	Plastic, PA, black	Ambient temperature	-25~+85°C
Material of grip body	Plastic, TPU, black	Mating cycles	>100
Seal material	FPM/FKM	Degree of protection	IP67
